Cultural Committee
City of Nanaimo

Nanaimo, BC V9R 1Z7

Dear Committee Members,

Arts Alive Summer School 2011

I am now in a position to report on our Summer School, which ran from July 11 to July 29, and which was made possible in part by your generous grant.

Firstly, I enclose a copy of the brochure/flyer, which was published in the local newspaper in April and June. This has been the main avenue for disseminating information about our classes, and is also used for registrations at Parks Recreation and Culture facilities. All the information was also available on our web site. This year showed a disappointing reduction in numbers of registrations, and we had around 260 participants sign up for the courses. Although this led to cancellation of some classes, nearly 20 instructors held approaching 40 successful classes in art, music, dance and drama, for children and adults, as well as weekly day camps.

The reasons behind this reduction in numbers has been considered by the Board, and they believe that it is partly due to the adverse financial situation, but also possibly because Arts Alive needs to review how it gets the word out; newspaper flyers may not be the right medium in 2012! As a result we are conducting a full review, and have also decided to update our web site, which is looking pretty "old fashioned" now.

Luckily, we were able to come away from the year with only a small deficit, and thanks to small surpluses in previous years having been placed in reserves, against expectations of difficulties such as this, we have every intention with forging ahead with our next Summer School in July 2012.

For your information, I also enclose a copy of the "thank you" advertisement published in the local newspaper. In addition, your contribution to Arts Alive was acknowledged by signage on site at the Summer School. On behalf of the Board, I should like to thank the City of Nanaimo both for your generous grant, and also the other assistance you afford to our operations..

Yours truly,

Michael Wright, Arts Alive

SUMMER SCHOOL 2011

This year's Summer School ran from July 11th to 29th. We offered around 40 courses of art, dance, music and drama, as well as week-long day camps for children from 5 to 10. Arts Alive is happy to have been able to continue to offer these amazing opportunities in its 27th year of operation. This would not have been possible without the assistance of many individuals and organizations. We should like to thank everyone whose contributions made the 2011 Summer School possible.

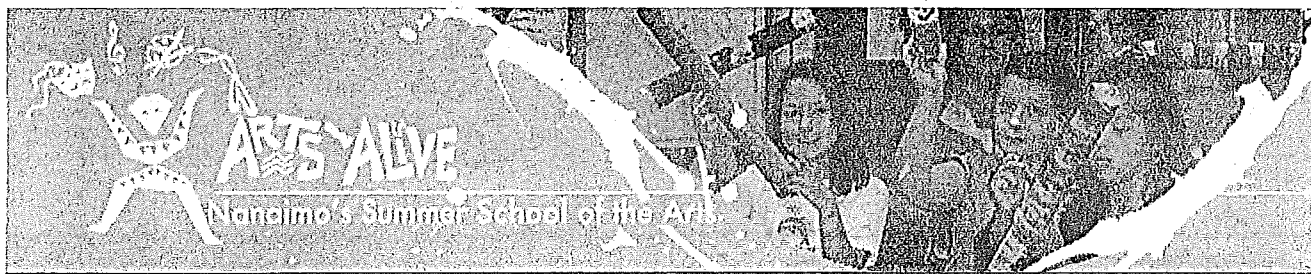

We gratefully acknowledge the major financial support from City of Nanaimo, Human Resources Development Canada, Province of British Columbia, Telus, Island Timberlands, Mid Island CoOp, Central Drugs and Coastal Community Credit Union.

We also acknowledge generous donations from Arthur and Freda Spencer and Country Club Centre.

In-Kind assistance was received from School District 68 Nanaimo - Ladysmith, City of Nanaimo, Parks, Recreation and Culture Department, Nanaimo Daily News/ Harbour City Star, Headliners School of Performing Arts, Tom Lee Music and Blue Sky Art Supplies.

And we just could not hold our Summer School without the incredible support of our Instructors and Day Camp Leaders, and our amazing Volunteers.

A huge "Thank You" to you all

Island singing sensation Alexandria Maillot teams up with renowned teacher and performer J. Douglas Dodd to present this exciting new course.

Join us to learn correct singing and performing techniques whilst singing your favourite songs of contemporary, country, rock blues and ballads. The five day intensive workshop will end with a class concert at the Arts Alive Gala on Friday evening, with a live band. This is a great opportunity for all young singers to learn with industry professionals. Alexandria Maillot has performed with Jan Arden, and in festivals in Egypt and Romania. Her song "Revolution" climbed into the top ten in European charts. She is featured on Oprah Winfrey's website as a part of "Oprah's Search for the World's Smartest and Most Talented Kids."
