Darcie,

When can I expect to get some sort of confirmation from the NAC. There are some events going on that I want to announce our next show at. So some sort of reasonable assurance with respect to the Oct 18th date would be helpful.

Thanks,

John Cooper *BBA.*

Subject: SUSPECT: So You Wanna Fight Event

Nanaimo Athletic Commission,

I am requesting a sanction for my So You Wanna Fight event. I have booked the Nanaimo Conference Centre for October 18, 2008 subject to the sanctioning from the Nanaimo Athletic Commission.

We feel this venue will add more class to the event even though we can only put in around 1,000 people. We do similar events in California at Casino entertainment centers which have a similar layout and atmosphere as the Nanaimo Conference Centre. They make for an excellent atmosphere for the event.

With only being able to seat 1,000 we are looking at holding the event there every 6 months starting this October. Dates are very limited and this is the date we were given.

Thank you

Don Arnott

Dear Mister Unger:

This is a short, and overdue (with apologies), note to thank you and the Commission for allowing me to participate as a physician for the MMA event sanctioned by you on 17 November 2007. It was an enjoyable and informative experience for myself, and I hope that I satisfied the expectations of the Commission.

I continue to develop my interest and expertise in such venues, having recently become a member of the American Association of Professional Ringside Physicians, and starting to prepare for certification programs offered by this group, as well as the American Board and College of Ringside Physicians and USA Boxing. As I am sure you are aware, there is a growing trend in the US (as well as Canada) to ensure that boxing and MMA events are monitored by interested, experienced, and trained/educated ringside physicians. This concept can only benefit both the athletes and the sport itself.

As I indicated to you at the event, please do not hesitate to contact me at anytime (home office 250.721.3514 is best) should you require any information or assistance in the future.

Best wishes for continued success.
