From my perusal of the 46 survey responses — 3 formats — these are the most popular topics/problems

1. Homelessness — 13 responses
2. Economic development - 7 responses
3. Community Engagement — 6
4. Affordable Housing — 6
5. Downtown Nanaimo - 5
6. Transit & Transportation - 4

No surprises in these results. Maybe we could do a blend.

See you all soon.

Les
