

Truth is  
Reconciliation

→ ~~unconceded territory?~~

"Right thing to do"

→ significant relationship ✓  
used our success

→ waterfront impact

→ we are them / lots of members are  
comm members

→ ask how to honour

Are our  
plans  
good even  
if they're  
old

Ageing demographic →

↳ make our plans w regard to the  
OCP

↳ social isolation

Relationships

We value our relationships with other  
that impact & support our community

SFN

SD

Port

Univ

Chamber

RP

POLITICAL → staff are  
amazing

PRINCIPLE

We believe that good governance + mgmt excellence is key to being a community of ~~excellence~~.

how you  
inter

mgmt

- Decision stability

PREDICTABILITY

- Attracting bin
- Attracting staff
- Predictable
- Secure

boundaries around communication

ACCESS -> front door / side door

- > changing committees / input
  - > Community -> engagement
  - > well mgd -> service levels / systems / policies
  - > WST SVCS
- Evidence based decisions

What does good governance look like? <sup>Coelling</sup>

→ Committees/Terms of Ref / Fluid  
dec mkg process.

→ Communication  
WHY

Fiscal responsibility

→ reasonable  
→ understandable

Respectful

Voice of community being heard.  
extent of comm engagement/  
advocacy

Services →

Building trust

ee engagement

Get stuff done

Follow the rules →

Including Council  
Holding each other accountable

New ideas

Partnership w ~~res/teas~~ community staff.

CANDOUR

regular in commere

Social Media Survey

→ dependent on real estate

→ Bath tub Wknd

→ Location → harbor

→ no urban shered boundaries → HOA

mid island

Hub

airport

university

GW to Van

- moderately high crime

→ commercial malls by the survey sea

→ long spread out → svcs

- poverty → child poverty → children @ acad risk

- strong vol ethics

- long history as a comm.

- Core SS providers

- hungry for change

- deep water sea port

- Douglas Treaty → how does that impact US?

→ EVOLVING

# STRATEGIC PLANNING

2019 → ?

what bugs us?

lack of

- achievable + measurable  
data

- "mushiness"

- strategy is absent  
↳ statement of values  
etc.

<sup>no</sup> - time frame → elections  
↳ time + \$

- highlights divergent views

- ~~people do~~ not everything links

level of government

= happens in city → our problem

Waterfront walkway

ISSUES / Concerns / Hopes

- downtown <sup>HR</sup>
- good governance <sup>COMMITTEE STRUCTURE</sup> "accessibility"
- reputation - relationships

- ~~or~~ public safety
- homelessness - rec/greenspace
- housing <sup>services</sup> - Waste Mgmt

- environment <sup>climate change</sup> - economic dev
- environment <sup>attracting investment</sup> - Transportation
- environment <sup>housing</sup> - Transportation <sup>employers</sup>

- child poverty <sup>transit</sup>
- child poverty <sup>access</sup>

- expectations → progress w/ modern ideas

- community engagement
- aging demographic

- addictions - arts + culture

- BCP / vision / development
- BCP / vision / development → densification
- BCP / vision / development → integration

- asset management → First Nations + relns

Social  
Media

# Concern about Service

SYSTEM  
CONCERNS

→ RULE

→ APPLICATION

→ CONDUCT

JUMP THE  
QUEUE

→ let's set a time  
~~to~~ to talk about systems

Everybody deserves to be safe  
↓  
but → <sup>\* events person</sup> → public art

⑦ Business as usual → grants

Arts = Culture

Value it \*\*

vibrancy

soul of community

belonging

life worth living

economic

creative element of community

2020?

We value our

A&C community groups

↓ Facilities

↓ Trans Plan

Port Theatre → borrowing byla

Public safety →

Revite D/A → why?

Economic Dev. } }

Role in social issues

LINK TO  
PUBLIC SAFETY

→ child poverty → drug addiction

Intentional design → rec.

em ← <sup>social</sup> isolation → trans

→ Why do we care about social issues?

Env.

# Climate change

A vision of a city that is  
Livable / env sustainable / full  
of opp for all generations  
& walks of life.

---

Support for agriculture - healthier living

five pillars → very  
important  
baked into our reports

→ reformat reports to align  
w/ Council priorities →

City decisions  
aspirational

↳ big plan

- Our Walkability → our communities are  
well planned

↓  
connected by transit → reduce  
reliance on  
automobiles

\*  
→ NATURAL ASSET  
MGMT → tree canopy

# AFFORDABILITY

↳ have a strategy

# ECONOMIC

WATERFRONT IS IMP  
ENHANCEMENT

undertimed underleor  
for ee / levability  
+ well being

We believe that an accessible  
st<sup>th</sup> waterfront is key to our

Community → walkway

lands ↙  
walkway ↓

BUT last  
② piece of  
underdevelopment  
A.A. Drive  
We are diligent  
in protecting  
our H2O front.

Opp to develop marina

① Downtown → improve  
the visual + safety

Walkway  
→ nice to  
have

→ housing

consultation  
w/ FN

- Will  
businesses  
downtown

③  
walkway  
connectivity  
st<sup>th</sup> linkages

OCP → REDO "ish"

OCP → what do we want to be?

Guiding development

Public → app to have common awareness

We will consult with our community on its long term vision for Nauraimo.

legal  
regs

rec

env.

trans

Decision →

demands on staff

educate on smart urban planning  
→ ready for future challenges

interface w environment  
sust

Safe  
Clean  
amenities.  
+ services

What are they? new social issues

→ child poverty  
→ addictions  
aging

housing aff  
homelessness

It is not our area (legally)  
to deal w addi

Advocate?

eg  
what's our strategy

advocacy

education

facilitate

land  
design

Create services? eg health ctrs  
\$

We want to be well  
governed & well org'd  
to effectively  
advocate w other  
levels of govt.

We are ready  
to mobilize with  
other levels to  
support our community

→ partnerships → gov't mgmt?

Social planning → what are we  
doing on social  
issues

Accessibility for low income

→ be ready to be part of ~~or~~ prior child care  
initiatives

SOCIAL 1/2

FUND SOCIAL 2/2  
WILL YOU DO <sup>FUND</sup> <sub>A</sub> THE WORK  
THAT IS THE LEGAL RESP.  
OF OTHER LEVELS OF GOVT.

IF SO, WHEN?

---

LIST ALL WAYS WE  
ALREADY DO THIS

of homeless owners coalition

# Culture of Engagement

INTERFACE BTWN  
PEOPLE & THE  
SYS INDS THEY  
ELECT

→ ENGAGE IN THE  
SYSTEM

Optimizing our systems

MGMT

EFFICIENCY  
VS  
QUANTITY

to get the necessary  
information to improve

our decisions

↓  
stall efficiency

→ No engagement for the sake of engagement

harnessing community  
talent

opp to be heard. → clear agendas

timing of engagement → situation  
will determine

---

First Nations engagement
