

- We invite City Council to implement the following:
- 1. Create a Youth Homelessness Coordinator Position within the city to support youth and collect data about youth homelessness experiences.
- 2. Support projects for youth supportive youth housing complexes.
- 3. Support a low barrier, culturally based youth drop in center.
- Create a supported youth position on your homelessness committee.
- 4. Build a stronger relationship with youth in our community, youth like us, to ensure a diverse youth voice is captured in city strategies, projects, and initiatives.
