SUBJECT COUNCIL POLICY – NOTICE OF MOTION

OVERVIEW

Purpose of Report

To provide the Governance and Priorities Committee with a Notice of Motion policy for approval.

Recommendation

That the Governance and Priorities Committee recommend that Council approve the Notice of Motion Policy.

BACKGROUND

A Notice of Motion is a parliamentary tool used by governing bodies to provide introduction for a motion regarding new business of a complex nature, prior to a vote taking place at a subsequent meeting. Section 11.1 of "Council Procedure Bylaw 2018 No. 7272" specifies the procedures that must be followed to introduce a Notice of Motion:

Notice of Motion

- 11.1 A Council Member may give a notice of motion respecting an item which he or she intends to present at a future meeting by reading it aloud and providing a copy of the notice of motion to the Chair and the Corporate Officer either before or during the meeting.
- 11.2 The Corporate Officer will include the notice of motion under the notice of motion section in the minutes and will place the notice of motion with any relevant background information under other business on the agenda for the next meeting or another future meeting as requested by the Council Member who presented the notice of motion.
- 11.3 If the Council Member who presented the notice of motion is not in attendance at the meeting when the subject of that notice of motion is brought forward, the notice of motion will be postponed to the next meeting at which the Council Member who submitted the notice of motion is in attendance.

Council has identified Governance Excellence as a strategic theme in the 2019-2022 Strategic Plan. Approval of this policy supports Council's identified goal of ensuring the City is "structured and resourced for expeditious, high quality decision making and action...". Staff recommend a notice of motion policy to provide a guideline to identify and assess intended and unintended implications of a motion. Implications may be financial, administrative, policy, legal or otherwise in nature. The policy provides clarity to members of Council regarding the notice of motion process.

DISCUSSION

The Notice of Motion policy (Attachment A) addresses the steps for members of Council to take prior to introduction of a notice of motion at a meeting.

OPTIONS

- 1. That the Governance and Priorities Committee recommend that Council approve the Notice of Motion Policy.
 - The advantages of this option: Council and staff will have a clearly identified process to follow regarding Notice of Motions.
 - The disadvantages of this option: Notice of Motions may be delayed when coming forward to Council due to the background work required by the policy.
 - Financial Implications: None identified at this time.
- 2. That the Governance and Priorities Committee recommend amendments to the Notice of Motion Policy.
 - The advantages of this option: The Governance and Priorities Committee would provide direct input into the policy.
 - The disadvantages of this option: Depending on the amendments the effectiveness of the policy may be reduced.
 - Financial Implications: None identified at this time.

SUMMARY POINTS

- Staff have identified a need for a Notice of Motion Policy.
- The intent of the Policy is to provide for a method to identify and assess intended and unintended implications of a motion.
- The Governance and Priorities Committee is requested to recommend that Council approve the Policy.

Title:	NOTICE OF MOTION POLICY	01

POLICY

A Notice of Motion is the tool that Council members use to bring topics forward for consideration at a Council meeting. Prior to a member of Council bringing forward a notice of motion, it is recommended these steps, included in the process, be followed:

- 1. Member of Council identifies:
 - Topic
 - Desired outcome
 - How the resolution adheres to guiding principles in the 2019-2022 Strategic Plan
 - Drafts resolution and forwards to the City Clerk, copying Mayor and the CAO
- 2. The City Clerk:
 - Adjusts wording if required and discusses changes with member of Council
 - Determines appropriate meeting date to bring notice of motion forward and places on the agenda
- 3. The Member of Council bringing forward the resolution that is now on the agenda under "Notice of Motion":
 - Reads out the Notice of Motion on the Agenda
 NOTE: [No discussion or vote takes place at this time]
- 4. At the following Council Meeting that the Notice of Motion is considered, now under the "Other Business" heading of the agenda, the following options can occur:
 - Motion may be moved by Council member that brought forward the resolution
 - i. The motion requires a seconder
 - ii. Vote can occur
 - iii. Motion may be passed
 - iv. Motion may be defeated
 - Any member of Council may refer topic of resolution back to Staff for a report to determine implications, including financial, policy, administrative, legal etc.
 - i. Motion is in order at any time
 - ii. Motion requires a seconder
 - iii. Motion may be passed and item referred back to Staff
 - iv. Motion may be defeated and the original motion would require a vote

- 5. If the Resolution is referred back to Staff:
 - Staff reports back to Council with a Staff Report, as soon as possible, outlining any potential implications that may apply to proceeding with the resolution
 - City Council votes on proposed resolution after receiving Staff Report on subject matter if Staff Report was required

REASON FOR POLICY

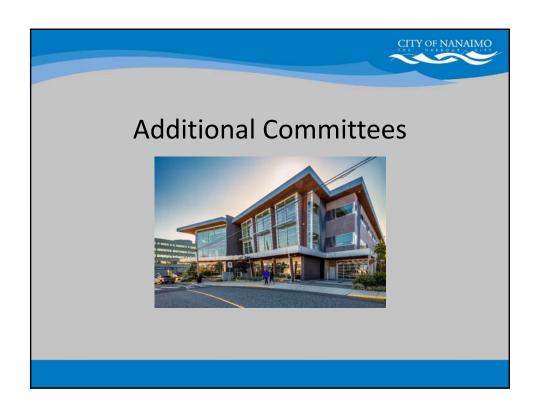

This policy provides a process for members of Council to follow prior to drafting a notice of motion for presentation to Council. The notice of motion process during a meeting is outlined in Section 11 of "Council Procedure Bylaw 2018 No. 7272" as amended from time to time.

OFFICER

SUBJECT NANAIMO YOUTH ADVISORY COUNCIL

OVERVIEW

Purpose of Report

To present for the Governance and Priorities Committee's consideration options and a recommendation regarding the Nanaimo Youth Advisory Council.

Recommendation

That the Governance and Priorities Committee recommend that Council dissolve the Nanaimo Youth Advisory Council.

BACKGROUND

The Nanaimo Youth Advisory Council (NYAC) was formed in 2014. The mandate of the NYAC is to provide Mayor and Council with a youth perspective on municipal issues. The NYAC was struck to provide input and advice to City staff as requested, and seek to involve and inform the young people of Nanaimo on issues that affect them and the community as a whole.

The City is of the opinion that youth should be encouraged and given the opportunity to make positive contributions to their communities, to take a leading roles in issues which affect their lives and that an investment in young people is an investment in the future.

Currently NYAC is not meeting, pending direction from Council. When the committee was meeting Staff found it challenging to find a consistent meeting date and time that suited all NYAC members due to commitments related to extra curricular activities and schedules.

Furthermore, there is the challenge that the Youth who applied for and who were selected to be on the NYAC appear to be drawn from youth with higher access to resources and support that enable them to both apply for and to participate in such a committee. As such, due to the selection process these youth may not be fully representative of the diversity of youth in our community, particularly youth who face higher levels of vulnerability.

Youth in Nanaimo are currently engaged in a variety of ways, such as:

Direct Programming

- Community Based (babysitter training, badminton, cooking, makeup, rowing, paddle boarding, fencing, science and technology camps, guitar)
- Drop in programs (Spare Blox/Youth Lounge)
- Arena based (RecSkate, RecFigure, hockey fundamentals, adaptive hockey, power skating)

 Aquatic based (Red Cross lessons, Junior Lifeguard Club, bronze cross/medallion, National Lifeguard Service [NLS], Water Safety Instructors [WSI])

Leadership Development Opportunities

- Leaders in Training and Quest programs (about 150 participants per year) with numerous community partners (37 unique agencies in 2015 including Loaves and Fishes, School District 68 [SD 68], Boys and Girls Clubs of Central Vancouver Island, Vancouver Island University [VIU], Child Development Centre)
- Jr. Leaders in Training summer camp
- Babysitter Training

Advocacy

 Youth Advocates committee - called "...the most functional cross-sectoral table in Nanaimo" (monthly, Sept-May). Members from Ministry of Child and Family Development (MCFD), Nanaimo Aboriginal Centre, Boys and Girls Club, Big Brothers Big Sisters, Tillicum Lelum, Rainbows, Haven, Hospice, Discovery, Edgewood, SD 68, Foodshare, Immigrant Welcome Centre,

Community Development/Outreach

- Upcoming partnerships with SD 68 (diversity dance, learning alternatives)
- "Stop Worrying about Stress and Anxiety" Cognitive Behavioral Therapy (CBT) group led by Dr. Poteryko
- Youth Lounge at Nanaimo Aquatic Centre in partnership with Boys and Girls Club
- Spare Blox hosted in 2 community schools and Oliver Woods Community Centre
- Social media including Youth Nanaimo Facebook, Twitter and Instagram
- Youth Resource Guide

Events

- Youth Week (May 1-7)
- Planning to participate in "Youthapalooza" this fall youth event focusing on mental health

Culture Initiatives

- Youth Poet Laureate
 - High school poetry contest

Engagement Strategy

The 2020 Strategic Plan review will include youth engagement and staff have initiated projects with both VIU Masters in Planning Classes and an individual student to get feedback on how to best to engage youth on major projects. The individual student will review best practices for youth engagement in other municipalities and provide recommendations to support improved youth engagement for future City of Nanaimo projects and events.

Advisory Committee on Accessibility and Inclusiveness

The new Committee on Accessibility and Inclusiveness allows for youth membership and seeks input from youth on a variety of topics with respect to policies, bylaws, and other initiatives and projects the City of Nanaimo undertakes.

Other Engagement Opportunities

Staff will continue to seek youth engagement opportunities in a way that youth prefer to engage, outside of a committee format, in all of our program and activities. Staff will bring recommendations forward to Council as these opportunities arise.

DISCUSSION

Staff recommend that all committees struck relate to the 2019-2022 Strategic Plan. Council has not identified youth issues as a theme in the Strategic Plan, however, Staff encourage the continuation of input from youth in the broader community. Encouraging youth to participate in their community in the avenues noted above fosters a sense of belonging. Staff have drafted terms of reference for Council approval for an accessibility and inclusiveness committee which includes a position for a youth representative.

OPTIONS

- Option 1 That the Governance and Priorities Committee recommend that Council direct Staff to dissolve the Nanaimo Youth Advisory Council.
 - The advantages are: Staff resources will be reallocated to support existing and future committees. Youth will be engaged using other methods.
 - The disadvantages are: Dissolving the NYAC extinguishes the direct link between youth and Council.
 - Financial Implications: Funds set aside for NYAC would be redistributed to other projects.
- Option 2 That the Governance and Priorities Committee recommend that Council direct Staff to resume meetings of the Nanaimo Youth Advisory Council.
 - The advantages are: Council will have a direct link to youth through the youth council.
 - The disadvantages are: Depending on members' availability, a call for new members may be required. Staff resources which could be allocated to future committees will be unavailable.
 - Financial Implications: Funding for the youth council is currently in the budget. No further financial implications are expected.
- Option 3 That Council provide alternate direction regarding the Nanaimo Youth Advisory Council.

SUMMARY POINTS

- The NYAC is not currently meeting, pending Council's decision regarding the future of the committee.
- Staff recommend that NYAC be dissolved.
- The City engages youth in variety of ways related to direct programming, leadership development opportunities, advocacy, events and community outreach.
- A youth representative position will be included in the terms of reference for the accessibility and inclusiveness committee.

The NYAC will also provide input and advice to City staff as requested and will seek to involve and inform the young people of Nanaimo on issues that affect them and the community as a whole.

Values

The City of Nanaimo believes that:

- Youth are integral parts of the community and, like all residents, have inherent rights and responsibilities;

- 2 youth between 15 and 24 years of age from Snuneymuxw First Nation; and,

Prospective members will be identified by soliciting applications through advertising in local newspapers and with additional efforts made to create awareness by connecting directly with youth based school groups at the secondary school and University level.

All members shall serve without remuneration. The City Council may appoint new voting members at any time to fill vacancies.

DATE OF MEETING September 30, 2019

AUTHORED BY NATALIE SPONAUGLE, LEGISLATIVE SERVICES CLERK

SUBJECT ADVISORY COMMITTEE ON ACCESSIBILITY AND

INCLUSIVENESS

OVERVIEW

Purpose of Report

To provide the Governance and Priorities Committee with a draft Terms of Reference for the establishment of an Advisory Committee on Accessibility and Inclusiveness.

Recommendation

That the Governance and Priorities Committee recommend that Council establish an Advisory Committee on Accessibility and Inclusiveness and adopt the associated Terms of Reference as presented in the report titled "Advisory Committee on Accessibility and Inclusiveness" dated 2019-SEP-30.

BACKGROUND

On 2019-JUN-17, Council adopted their 2019-2022 Strategic Plan, which includes a vision for a community that is "livable, environmentally sustainable and full of opportunity for all generations and walks of life."

This desire to build a community that is accessible and inclusive to all has been echoed in many of the discussions that have taken place around the Council table over the past number of months. With this in mind, Staff have prepared a draft Terms of Reference for an Advisory Committee on Accessibility and Inclusiveness (ACAI) for Council's consideration.

With Council's endorsement of the draft work plan and guiding principles for the 2020 strategic policy development process at their meeting held on 2019-SEP-09, Staff recognize an opportunity to have the ACAI be engaged in this process as part of their mandate. Having this committee in place can help ensure that potential barriers to accessibility and inclusion are identified and recommendations for improvements can be made.

DISCUSSION

The membership outlined in the draft Terms of Reference for the Advisory Committee on Accessibility and Inclusiveness is structured to include two members of Council as well as key representatives from various agencies, groups and public bodies who have a vested interest in building a community that is both accessible and inclusive. It also includes two citizens-at-large who would be chosen based on their experience and involvement related to these matters.

While 13 members is a greater number than Staff would typically recommend to have sit on a committee, the intention with the ACAI is to engage with a cross-section of those representing individuals most affected by matters of accessibility and inclusion. The challenge here was including key stakeholders for this cause while ensuring that meetings will be both effective and productive.

The purpose of this committee is to promote social and political equity. The committee's mandate includes identifying barriers to accessibility and inclusion; making recommendations for improvements; participating in reviewing draft plans, policies and procedures; and assisting in developing a strategy for increased engagement and public awareness. The ACAI is structured to provide opportunities to assist Council in ensuring that our City is, in fact, a livable community for all.

OPTIONS

- 1. That the Governance and Priorities Committee recommend that Council establish an Advisory Committee on Accessibility and Inclusiveness and adopt the associated Terms of Reference as presented in the report titled "Advisory Committee on Accessibility and Inclusiveness" dated 2019-SEP-30.
 - The advantages of this option: Establishing the ACAI reaffirms Council's commitment to their vision of ensuring that Nanaimo is a livable community for residents of all generations and walks of life. It also reinforces their key strategic themes of Livability and Governance Excellence.
 - The disadvantages of this option: Resources (such as staffing) may not be available for other potential committees.
- 2. That the Governance and Priorities Committee recommend that Council establish an Advisory Committee on Accessibility and Inclusiveness and direct staff to amend the draft Terms of Reference based on Council's vision for the Committee.
 - The advantages of this option: If the draft Terms of Reference does not capture Council's vision for the ACAI, this provides Council the opportunity to have the Terms of Reference amended to reflect Council's will.
 - The disadvantages of this option: Resources (such as staffing) may not be available for other potential committees.
- 3. That the Governance and Priorities Committee provide Staff with alternate direction.
 - The advantages of this option: The GPC could recommend an alternate direction be taken to address issues related to accessibility and inclusion in our community.
 - The disadvantages of this option: Not establishing a formal Committee dedicated to accessibility and inclusion could hinder opportunities for increased awareness and action on matters related to this.

SUMMARY POINTS

- Council's Strategic Plan includes a vision for a community that is "livable, environmentally sustainable and full of opportunities for all generations and walks of life".
- Staff are proposing that an Advisory Committee on Accessibility and Inclusiveness (ACAI) be struck and a terms of reference outlining their mandate be adopted.
- The ACAI would undertake a number of initiatives such as identifying barriers to inclusion and accessibility and making recommendations for improvements.
- As part of their mandate, the ACAI could play an important role in providing oversight through the strategic policy development process to shed light on areas needing improvement.
