

COVID-19 RECOVERY

Working toward a gradual, safe and measured reopening of municipal facilities and resumption of City services and programs suspended during the COVID-19 pandemic.

PLANNING FRAMEWORK FOR MUNICIPAL OPERATIONS

COVID-19 RECOVERY PLAN STEPS

1

MARCH TO MAY

- Closure of facilities and park amenities
- Cancellation of in-person recreation programming
- Provide services online

2

LATE MAY TO SEPTEMBER

- Reopening park amenities
- Offering limited outdoor recreation programming
- Opening up a pop-up tax payment office

3

APPROXIMATELY SEPTEMBER AND BEYOND

- Further expansion of public access to programs and services

4

DEPENDENT UPON RELEASE OF A VACCINE

- Resumption of normal operations and service and program delivery

RECOVERY FRAMEWORK COMPONENTS

DEPARTMENTAL RECOVERY PLANS

Step 1

- Closure of facilities
- Work from home where practicable
- New safe work procedures

Step 2

- Reopening of park amenities
- Satellite tax office
- Additional online services

Step 3

- Further expansion of programming
- Re-opening of some facilities, with precautions in place

Step 4

- Resumption of normal operations

IMPACTS ON 2020 BUSINESS PLAN

- What will not get done when planned, or at all.

NEW INITIATIVES NOT INCLUDED IN 2020 BUSINESS PLAN

- What we did, or will do, that we hadn't planned to do.

CHALLENGES/OPPORTUNITIES

- What do we anticipate as City operations recover?

COVID-19 RECOVERY PLAN NEXT STEPS

1

Council motion to adopt Plan

2

Staff continue with operational plan implementation

3

Continue to monitor COVID situation, adapt operations
