# What kind of procedures are covered in the Bylaw?

#### Time and location of meetings

  - (schedule of meetings can be amended).
- Outlook invites sent to Committee members and Council
  - Meeting changes/cancellations sent via email as required.

### **Committee Proceedings**

- All meetings are open to the public unless Section 90(1) or 90(2) of the *Community Charter* apply.
  - Community Charter provides specific rules for moving to closed session
  - All documents (handouts, presentations, PowerPoints, charts, graphs) provided to members at a meeting are public documents
    - Posted to <u>www.nanaimo.ca</u>
    - Record in Legislative Services

### **Meeting Basics**

- The agenda content is prepared by the Corporate Officer or their designate working with Staff Liaisons.
  - Legislative Services Department prepares most and reviews all agendas for approval.
  - Agenda approved by CAO/Deputy.
  - Agendas are distributed after approval.
    - Published on the City's website
    - Emailed to Committee members
  - Paper copies of the front pages of the Agenda are available for members of the Committee at the meeting.
- Committee members are requested to read the agenda prior to the meeting.
- Items on the agenda are ordered as per the Procedure Bylaw

### **Meeting Basics - At the Meeting**

- The Chair will Call the Meeting to Order (quorum must be present)
  - Quorum is half of the membership, plus 1.
  - 10 committee members, 6 are required for quorum
  - 9 members, 5 are required for quorum
- The Chair will ask if there are any late items.
- Committee members add any additional late items or re-order items at their pleasure (agenda now belongs to the Committee)

  - Try to keep late items to a minimum Motion to reorder agenda required
  - Keep in mind meeting time limits
- Agenda is adopted (as amended if necessary)

### **Presentations and Delegations**

- Presentations are invited by the Committee or the Staff Liaison
  - No specific time limit

#### • Delegations

- Have specific time limits (10 minutes)
- Items on the agenda
- Referred to Committee by Corporate Officer
- Submit request for specific committee

#### Committee members can ask questions of delegations

Should not enter into debate

### **Motions**

- Committee decisions are made by motions
- Motions should be framed so they "stand alone"
  - Read minutes 20 years later motions should still make sense (no acronyms)
  - Corporate Officer and Staff Liaison can help word motions.
- Require a mover and seconder
- Once moved and seconded, debate occurs
- Once each committee member has spoken, Chair calls the question

- Vote is taken on Motion and recorded in the minutes.
- Amendment Motions (also friendly amendments)
- Motion to refer consideration of an item (to staff, to another time)
- Point of order used to question whether meeting is being conducted in accordance with rules (ruled by the Chair)
- Motion to adjourn

### **Motion Pitfalls**

### Negatively worded motions

- Avoid "Not" "That DP123 not be issued."
  - If motion fails creates a double negative
- Correct wording "That DP123 be denied."
  - If this motion fails, it is clear that another motion is still required to issue DP123.

### Motion to receive (report or delegation)

- What do you do if it fails?
- You <u>do not</u> have the option to not receive something that you have already been provided or heard

### Minutes

- Includes which members are present, absent, motions and high-level notes.
- Motions that have been withdrawn are not recorded.
- Motions are recorded as "carried unanimously", "defeated unanimously" or "carried" / "defeated" and the names of those who were opposed to the motion.
- Recording Secretary prepares unbiased account of the meeting.
- Distributed as soon as possible after a meeting.
- Adopted at next meeting (if possible)
- Signed by Chair and Corporate Officer.
- Official, permanent record of the meeting.

### Notice of Motion

- Used to provide the Committee and staff with a "heads-up" that a motion will be put forward for consideration at the next meeting.
- Wording is announced at a meeting by Committee member.
  - Provided to recording secretary
- Preferable to have specific wording drafted to include in the minutes and next meeting agenda.

## **Question Period**

- Opportunity for members of the public to ask the committee questions on agenda items only
- Not meant as an opportunity for debate
- Not always necessary or possible to answer all questions on the spot
