# The UBCM resolution

WHEREAS organ donation saves lives;

WHEREAS one in 10 of the citizens living in our communities is affected by kidney disease for which an organ donation is the best available option for a patient to live well and contribute fully to their family and their community;

WHEREAS BC has one of the lowest organ donor registration rates in Canada;

WHEREAS the Kidney Foundation has challenged all Mayors and Council Members to Save Lives by raising awareness for Organ Donor Registration in their communities;

# The UBCM resolution

AND WHEREAS Mayors and Council Members have the leadership and resolve to encourage citizens in their communities to register as organ donors,

THEREFORE BE IT RESOLVED that UBCM call upon all Mayors and Council Members to accept the Kidney Foundation's challenge to Save Lives Through Organ Donation in their communities, and to work with the Foundation to increase the number of people registered as organ donors in their respective communities.

# Thank you....
