Details of Presentation:

Speak against Cannabis Bylaw Criteria specifically, Location of CRS subsection 1.3 "the proposed CRS may not be located adjacent , or in close proximity to, a nightclub or liquor retail store " I would like to propose this is an unnecessary restriction in a site specific zoning application and should be struct from the draft. This is too restrictive on council's ability to assess proposed locations. We should bear in mind these LRS locations have already been vetted along the same guidelines as CRS store criteria.
