SUBJECT BYLAW CONTRAVENTION NOTICE – CONSTRUCTION NOT COMPLETED AS PER CONDITIONS OF BUILDING PERMIT – 899 BEAUFORT DRIVE

OVERVIEW

Purpose of Report

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of 899 Beaufort Drive.

Recommendation

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the property located at 899 Beaufort Drive for construction not completed as per the conditions of the building permit.

BACKGROUND

A building permit for the conversion of a carport into a garage, work that was originally started without permit, was issued 2016-MAY-30. However, the permit has now expired without any inspections being called and with deficiencies remaining outstanding, in contravention of the Building Bylaw. Pursuant to Section 57 of the *Community Charter*, it is recommended that a notice be registered on the property title to reflect the contravention of “Building Bylaw 2016 No 7224”.

DISCUSSION

The purpose of registering a Bylaw Contravention Notice (Section 57 of the *Community Charter*) on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.

SUMMARY POINTS

- Construction was not completed as per the conditions of the permit.
- The deadline to renew the permit has passed.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
