APPLICANT'S LETTER OF RATIONALE**

**APPLICATION TO TRANSITION FROM A LIQUOR PRIMARY CLUB LICENSE
TO LIQUOR PRIMARY LICENSE**

AT: 1630 EAST WELLINGTON ROAD, NANAIMO BC

APPLICANT: ROYAL CANADIAN LEGION, BRANCH NO. 256

LETTER OF INTENT

INTRODUCTION

This letter of intent is provided in support of the application submitted to the Liquor Control & Licensing Branch by the Royal Canadian Legion Branch #256 Mount Wellington for a conversion of the existing Liquor Primary – Club License to a straight Liquor Primary License. The proposed conversion will maintain a member only section and will also allow for a general public section.

The liquor primary license will provide an added amenity for liquor service to the public and a wide variety of events such as Fundraisers, Seasonal Parties (i.e. Christmas Parties, Halloween Parties) Corporate Meetings, Receptions, Functions, Ceremonies, Sporting Events, Celebrations of Life, Meat Draw, Music Events, Karaoke, Card Games, and Ball Room Dancing. The license will also provide a section for members to come and play darts, pool, and cards. Food service will be available during open hours and Friday Night Steak Nights, Burger Nights and Sunday Brunch will be implemented in the near future.

The hours of licensing will be maintained at Monday to Saturday 11 am – 1:00 am; and Sunday 11 am – midnight.

TARGET MARKET

The target market for this venue will be local residents, businesses and Legion Members. The Liquor Primary license will allow the Legion to include the general public in it's many functions and provides an additional venue for community events, fundraisers and special events. It will also provide a venue for local musicians to perform and therefore support local artists.

The Legion will not be increasing its seating capacity and will basically be operating in the same format as it currently is. The removal of the club endorsement will negate the requirement to sign in guests and should not result in any increase in the noise factor in the community.

OTHER FACTORS

The applicant also submits the following additional factors for consideration:

- A Liquor Primary License would be of great benefit to the Legion and the community.
- The maximum licensed capacity of this facility will not be increased.
- There is a need for this type of space within the community.
- There are approximately 500 new residential units behind the Legion
- There will be food service available.
- The applicant wishes to retain their Family Food Services endorsement
- The applicant wishes to retain their Off Premises Sales endorsement
- There should be no notable noise increase.
- The Legion will continue to provide space for the many non-profits, Cadets, Minor Sports, and fitness groups from the community.
- The Legion contributed over \$31,000 to Veterans, Seniors, and local organizations in 2017.
- The Legion has been a part of the Nanaimo community since 1958

Dear Sir

**RE: 1630 East Wellington Road – Royal Canadian Legion, Branch No. 256 - Licence
Transition Application**

The Nanaimo RCMP Detachment has received a request to provide further comment regarding the potential impact of the proposed Application to transition the Club Licence of Branch No. 256. to a Liquor Primary Licence.

A check of data bases indicates that in the past several years the RCMP have been called to 1630 East Welloington Rd a handfull of times. These calls for service have been in response to community issues and the Branch was not directly involved and the issues did not stem directly from their activity. As a whole the Liquor Primaries in the City of Nanaimo are well run and have few significant issues. Many of the busiest Primaries in the City are Members of the Nanaimo Bar Watch Liquor Control Strategy and joint partnership has created a safe and efficient environment.

There are several other Legion Branches in the Province who have undertaken a similar Licence Transition, by and large this has been a positive improvement for the Branches as well as for the community.

The Nanaimo RCMP does not anticipate a significant change in the calls for service, level of public disorder, criminality or nuisance calls as a result of this transition. The Royal Canadian Legion, and Branch No. 256 in particular, have an outstanding record. They have been responsible and diligent licence holders.

It is significant to note that the Legions capacity is 480 persons. If they are granted this transition they will become the largest Liquor Primary in the City of Nanaimo by over double.

Security Classification/Designation

Non-sensitive

Branch No. 256's Application has not addressed any measures to deal with a potential increase in their regular customer base. For the most part, until now, only responsible Members in good standing have been allowed in the premises. The Branch should be prepared to take any measures necessary, including hiring extra staff and/or security should this become an issue in the future.

The Nanaimo RCMP will continue to monitor the frequency and types of calls for service at this location. At this time the Nanaimo RCMP are not opposed to The Royal Canadian Legion, Branch 256, being granted a transition from a Club Licence to a Liquor Primary Licence.

Should you require further information or assistance concerning this matter, please contact Cst. Dave Scherr of the Nanaimo Bike Unit at (250) 754-2345.

Yours truly,

Superintendent Cameron MILLER
Officer in Charge
Nanaimo RCMP

Non support of liquor license change for Legion Branch 256

Sent from [Mail](#) for Windows 10

We do not support the request for Legion Branch 256 to change from their existing licence to a liquor primary licence. This is a pretty quiet residential area directly behind the Legion and the additional traffic and noise would not be appreciated. Specially at closing time on the weekends. The Legion is also directly across the street from a primary school where any extra traffic would be dangerous for the students.

Comments:

This area is already getting louder & louder with all of the new development. This change to the RCLB256's license is not going to help.

DO NOT SUPPORT - Royal Canadian Legion Branch 256 - 1630 East Wellington Road

Horrible idea to allow liquor sales to public and to allow until to 1am..

I just moved to my apt on Summerhill Place in Nanaimo in late April - I chose it because it was a new little residential community (I am from busy, noisy Vancouver and I had a serious surgery in December - I wanted to recuperate somewhere quiet, safe and peaceful). I am paying premium \$ to rent for a year - \$1330 per month for quiet, peace, safety.

There are many hardworking residents here that leave for work as early as 630 am - i.e. Ledcor and there are also elderly citizens who have paid many years tax dollars to enjoy their home in peace and quiet and safety. I think it is shameful that the Legion would issue this request - alcohol is a problematic issue for many - if they think that is their way to stay in business - I truly think they should look at their conscience and be ethical and think of other ways to stay in business.

No one needs to be by alcohol late at night and even earlier - this is a new little residential community that would be harmed by people and cars making noise, putting residents in danger who walk at early evening need-want to go to sleep early. Shame on the Legion for just looking at profits over the health and safety of their customers and neighbours and immediate community.

p.s. I am not against people enjoying a glass of wine, etc, there are enough commercial areas to buy alcohol.
