- C. The Owner has requested the City grant permission to develop the Land into 25 units of affordable housing (the "**Project**").
- D. The City is willing to grant permission and enter into this Agreement (the "**Agreement**") to establish terms and conditions regarding the occupancy of the dwelling units identified in the Agreement and the Owner has agreed.

**NOW THEREFORE THIS AGREEMENT WITNESSES** that pursuant to Section 483 of the *Local Government Act* and in consideration of the premises and covenants contained in this Agreement, the parties hereto covenant and agree with the other as follows:

## **1.0 DEFINITIONS**

1.1 In this Agreement the following words and terms have the following meanings:

- a) "Dwelling Unit" means a habitable room consisting of a self-contained unit with a separate entrance for the residential accommodation of only one family and contains a cooking facility but excludes all accommodation for the travelling public other than a bed and breakfast.
- b) The City and the Owner agree that the definitions in the City of Nanaimo's "ZONING BYLAW 2011 NO. 4500" as amended from time to time, and any enactment that may replace it, apply to the interpretation of the terms in this Agreement.
- c) The "Project" refers to the totality of dwelling units and ancillary spaces constructed on the subject property by the Owner.

## **2.0 OCCUPANCY OF HOUSING UNITS**

2.1 The Owner covenants and agrees with the City that all dwelling units on the site shall be used for the provision of affordable housing.

## **3.0 ADMINISTRATION, MANAGEMENT AND NUISANCE**

3.1 The Owner shall ensure that the Project is managed according to the following rules:

- (a) That the monthly rent charged to the tenants of the dwelling units in The Project be "affordable", consistent with the desire of both parties to this agreement to have The Project contribute to the provision of affordable rental housing in the community. The definition of "affordable" should be construed for the purposes of this agreement to mean monthly rents that are less than the "low end of market" as per the average rents set out by Canada Mortgage and Housing Corporation in their quarterly Rental Reports for Nanaimo. Further, a minimum of 20% of the dwelling units shall be rented at or about the shelter rate as set by the Ministry of Social Development and Poverty Reduction for recipients of Income Assistance.
- (b) That the Owner will undertake to operate The Project as a good neighbour ensuring that the operation of The Project does not detract from the surrounding resident's right to peaceful enjoyment of their homes. The Owner will regularly seek and give due consideration to feedback received from the neighbours as to the operation and impact of the Project. Should it be deemed necessary by the City, the City will require the Owner enter into a Good Neighbour Agreement developed and monitored jointly by the Owner, the City and the neighbours.

- b) this Agreement is deemed to be terminated pursuant to Section 5.

#### **5.0 TERMINATION**

The City will provide to the Owner (60) days written notice of their intent to terminate the Agreement indefinitely. The City shall not be liable in any way to the Owner for any cost, damage, liability or loss suffered as a result.
