Details of Presentation:

Presenting stats, information and costs related to the increased criminal activity located at our 3 properties; Country Club Manor, Madrona Green and Rock City Centre since Nikao opened on Labieaux. There is a lack of communication by Pacifica in responding to concerns and we'd like to see some changes around a curfew, visitor restrictions and dealing with identified residents breaking the "being a good neighbour" requirement to stay in Nikao. Because of all this chaos, we would like the emergency temporary housing property to be deemed a nuisance.
