Details of Presentation:

Request to appear on behalf of the support group Newcastle Place, Friends of 250 and request the motion to declare 250 Terminal Avenue a nuisance be voted down. I will demonstrate that previously it has taken years of continuous criminal activity to have such a motion moved into policy and point out that Newcastle Place is a Supportive Housing Site run by care professionals, not a residence of an organized crime ring, and that it has been open for less than 2 months.
