RE: 4900 Island Highway North (RA397)

I would like to thank the City of Nanaimo for its ongoing inclusion of Neighbourhood Associations in planning processes.

Regarding the property located at 4900 Island Highway North (RA397), the Wellington Community Association continues to support the OCP vision for this property.

Given the property's strategic location near shopping, bussing, schools, lakes and employers, the Community Association would support variances to the OCP vision which involved higher density mixed commercial and family housing, as long as the increased density is consistent with the OCP as publicly consulted and agreed upon.

The community association would not be supportive of any rezoning which regresses from the OCP plan.

Respectfully,

David Murchie
