2. Acronyms and Abbreviations

I. CAO: Chief Administrative Officer
II. The City: The City of Nanaimo

3. Responsibilities

To implement the Reserve Policy the appropriate level of governance must be in place throughout the organization for decision-making.

3.1 Council is responsible for adoption, periodic review and updating the Reserves Policy.

3.2 The CAO is responsible for implementing the Reserves Policy.

3.3 The Director of Finance is responsible for:
   3.3.1 Implementing internal processes and systems in compliance with this Policy;
   3.3.2 Ensuring Reserves and Reserve Funds are established and maintained in compliance with this Policy;
   3.3.3 Recommending target minimum and maximum reserve balances where appropriate;
   3.3.4 Ensuring utilization of reserve funding is clearly disclosed in the City’s Five Year Financial Plan and other long-term financial plans;
   3.3.5 Recommending revisions or amendments to this Policy due to changes in applicable statutes, accounting standards or to support the City’s long-term financial management.
4. **Scope and Applicability**

4.1 **Scope**
Reserves are either classified as Reserves in each of the City’s operating funds or separate Reserve Funds. Reserve Funds are statutory reserves required by Provincial legislation or established by Council and receive specific contributions that can only be used in compliance with the appropriate City bylaw.

The City maintains reserves that provide funding to:
- I. mitigate risk;
- II. replace equipment;
- III. renew existing infrastructure;
- IV. construct new/upgraded infrastructure required due to growth;
- V. purchase land;
- VI. implement strategic initiatives and capital investment;
- VII. comply with special bequests; and
- VIII. facilitate specific functions or commitments.

4.2 **Unique Corporate Purpose**
Each Reserve must have a unique and specific corporate purpose.

4.3 **Corporate Context**
The management of the City’s reserves is an integral part of the City’s long-term planning, asset management, the City’s Five Year Plan, the 10 Year Project Plan and the 20 Year Investment Plan.

4.4 **Implementation, Review and Reporting**
The implementation, review and reporting associated with this policy will be integrated within City business processes. Due to the importance of this policy, the management of the City’s reserves will be reported to Council, and implementation of this policy reviewed periodically by Council.

5. **Benefits of Compliance**
Implementing this policy will improve the City’s governance through enhanced accountability, performance, sustainability and resiliency.

6. **Principle Statements and Objectives**
Reserves shall be established, maintained and used in accordance with following principles and objectives.

6.1 **Affordability**
6.1.1 The City will consider impact on property taxes, utility and other user fees when implementing and managing reserves.
6.2 Long-Term Financial Sustainability and Resiliency

6.2.1 The City will implement and manage reserves that support mitigation of risks arising from operating emergencies, unforeseen expenditures or decreases in revenues.

6.2.2 The City shall strive to implement and manage reserves to meet future financial obligations with respect to the City’s strategic initiatives, investment in equipment and infrastructure, and fiscal needs.

6.2.3 The City will make informed decisions to implement and manage reserves that best support the long-term financial needs for City services and strategic priorities.

6.2.4 The City will develop and maintain financial plans that adequately identify the long-term funding needs and sources to sustain City services.

6.3 Transparency and Accountability

6.3.1 All Reserves must be established, maintained and used for a specified purpose mandated by this policy, statute, or City Bylaw.

6.3.2 A Council Resolution or an Adopted Budget Bylaw is required for all appropriations from Operating Reserves and Reserve Funds.

6.3.3 The City will conduct an annual review of all reserves and report the results to Council.

6.3.4 The City’s Five Year Financial Plan will provide a summary of projected reserve balance, contributions and withdrawals.

6.4 Statutory and Legal Requirements

6.4.1 Reserves will be established to meet Provincial and Federal government legislation, City Bylaws or required by contractual agreement.

6.5 Accounting Standards

6.5.1 Administration of Reserves must meet the accounting standards applicable to local governments (PSAB).
7. **Administration**

The following key administrative processes will support implementation of the Reserve Policy. Additional information is provided in the City’s Reserves Processes document.

7.1 **Interest and Calculation Method**

All Reserve Funds will earn interest each year. Interest will be calculated based on the audited fund balance at the end of the prior year. The interest rate used will be determined on an annual basis.

7.2 **Minimum and Maximum Balances**

A minimum and maximum balance may be established for a Reserve. A minimum balance will ensure that each fund is not depleted to the degree that it is no longer able to service its intended purpose. A maximum balance ensures that it does not grow beyond its intended purpose.

7.3 **Repayment Period for Target Minimum Balances**

A time period will be specified for the repayment or replenishment of a Reserve with a specified minimum balance.

7.4 **Reporting**

The City will develop and maintain annual reporting processes that provide decision makers with all relevant reserves information.

8. **Reserves Framework**

The Reserves Framework groups reserves by common purposes and guidelines in compliance with this Policy. Reserve Funds are utilized to comply with Provincial legislation or contractual requirements and where specific annual contributions support long-term organizational purposes.

A description of each reserve is outlined below within the Reserves Framework.

8.1 **Financial Stability Reserves**

**Description**
