AUTHORED BY |DARCY FOX, MANAGER, BUILDING INSPECTIONS|  
SUBJECT |**BYLAW CONTRAVENTION NOTICE – SECONDARY SUITE**|

## **OVERVIEW**

### **Purpose of Report**

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of the property listed within this report. |

### **Recommendation**

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the following property:

1. 1055 Old Victoria Road – illegal secondary suite|

## **BACKGROUND**

### **Illegal Secondary Suite**

The following is a list of properties where an illegal secondary suite has been identified and where a building permit application has not yet been received:

- 1055 Old Victoria Road

As such, the Building Inspections Section, with the assistance of the Bylaw Services Section will seek further action and/or removal of the secondary suite. |

## **DISCUSSION**

The purpose of registering a Bylaw Contravention Notice (Section 57 of the *Community Charter*) on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.

As per the Secondary Suite Enforcement Policy, a Bylaw Contravention Notice is required to be registered on the title of the affected properties in order to identify construction that was originally completed without a building permit and it is, therefore, unknown if the completed works are compliant with the standards of the BC Building Code.

**SUMMARY POINTS**

- A Bylaw Contravention Notice is being registered in compliance with the Secondary Suite Enforcement Policy.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
