**SUBJECT | OPERATING RESULTS FOR THE SIX MONTHS ENDING
2019-JUN-30**

OVERVIEW

Purpose of Report:

To present the Finance and Audit Committee with a summary of the operating results for the six months ending 2019-JUN-30.

DISCUSSION

The intent of this report is to provide the Finance and Audit Committee with a summary of the City's financial operating results for the six months ending 2019-JUN-30 as compared to the 2019 Financial Plan.

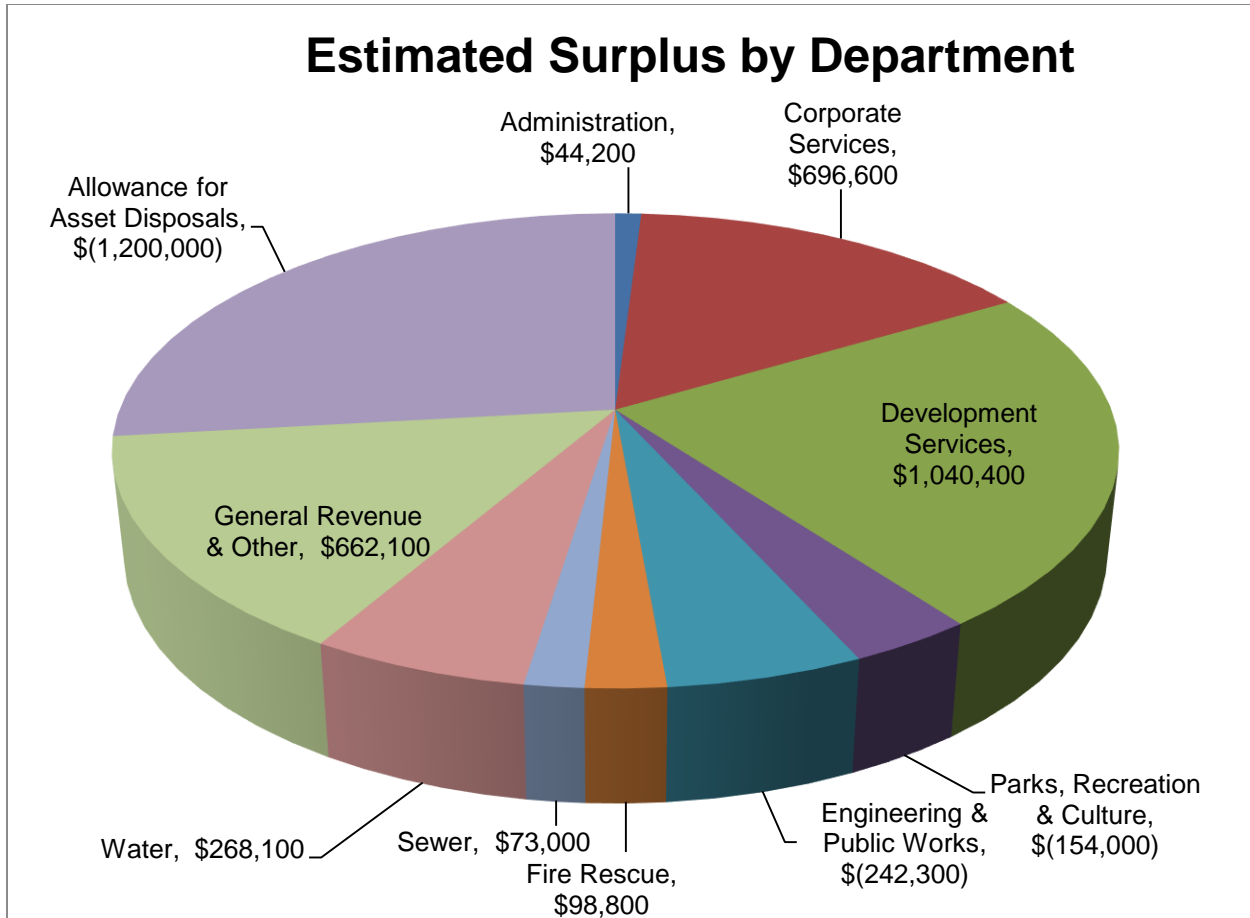

Managers from all departments review monthly financial reports in order to identify budget variances as they occur, and to ensure that immediate action is taken to address any potential deficits.

Summary of Operating Position at 2019-JUN-30

<i>Operating Fund</i>	<i>Revenues</i>	<i>Expenditures</i>	<i>Surplus(Deficit) at June, 2019</i>	<i>Surplus(Deficit) Projected at Dec 31, 2019</i>
General	\$ 134,372,078	\$ 71,791,768	\$ 62,580,310	\$ 2,145,800
Sewer	13,461,659	14,880,802	(1,419,143)	73,000
Water	12,034,034	14,561,982	(2,527,948)	268,100
Total Surplus	\$ 159,867,771	\$ 101,234,553	\$ 58,633,219	2,486,900
Less:	Reserves required to fund disposals of capital assets and any associated gains or losses			1,200,000
Net Surplus				\$ 1,286,900

The projected net operating surplus for the year is \$2,486,900. However, each year, the surplus must be used to fund any disposals of tangible capital assets during the year, along with any gains or losses associated with the asset disposals. During the last five years, the average amount of these adjustments has been around \$1,200,000.

The projected surplus by department, presented visually, is as follows:

Assuming an even distribution of revenues and expenditures throughout the year, the current financial performance benchmark would be approximately 50% versus budget. Where significant variances over \$100,000 have been identified, Staff have provided comments in the departmental sections listed in Attachment A.

The summary of operating results by department is documented at a more detailed level in Attachment B. This report lists the total year-to-date revenue and expenditures for the functions within each department. This listing illustrates, at a glance, the overall status of an individual service as at June 30 compared to the overall budget for that service for the entire year. The variance column displays the surplus or deficit for the year for each department. Positive values increase surplus, while negative amounts (displayed in parentheses) decrease surplus.

Staff will continue to monitor financial performance on a monthly basis, and the Accounting Services department will continue to provide quarterly reporting updates.
