BYLAW SERVICES POLICY AND PROCEDURE MANUAL

POLICY NO. 93-02

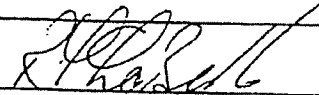

SUBJECT: SNOW REMOVAL SIDEWALKS CONT

EFFECTIVE DATE: 93-DEC-06

COUNCIL POLICY ON SNOW REMOVAL FROM SIDEWALKS

Nanaimo City Council has adopted the following policy as it relates to the enforcement of Section 22(1) of the Traffic and Highways Bylaw 1993 NO. 5000. These priorities are listed due to the vast number of sidewalks in the community and the limited number of enforcement personnel available. As a rule high pedestrian traffic areas will receive priority over those with less pedestrian traffic.

1. Downtown core
2. Public Institutions
3. Commercially zoned properties
4. Multi family dwelling properties
5. Single Family dwelling properties
6. Vacant lots
