**NOTES:**

**Visionwall Unit History**

The list of serial numbers is mostly comprehensive, however there are approximately nine units that are either inaccessible or the serial number has been obscured.

- Serial numbers in the 24xxx range are original. Installer unknown.
- Serial numbers in the 75xxx range are presumed to be 2008. Installer unknown.
- There are four units that have a 5xxx range. History unknown.
- Serial numbers in 8xxx are presumed to be 2009. These were installed by Cantech Glazing.

Three units were installed in 2013. These were windows that had been previously ordered and were in storage. These were installed by Dolphin Glazing.
