City: Nanaimo
Province: BC

Delegation Details:

The requested date is July 20, 2020.

The requested meeting is:
Council

Bringing a presentation: No

Details of the Presentation:

My delegation will be about my concern about the overwhelming graffiti around downtown that is themed mostly to 'Khaos' which is actually chaos. It is nice to have public artwork on buildings like Chemainus and we need to take care of the message in the images and words in Nanaimo that reflect the general population and not the small mob. My presentation will be about how the city can clean this up and give info of the source of these anti-social intrusions.
