SUBJECT | BYLAW CONTRAVENTION NOTICE - CONSTRUCTION STARTED WITHOUT A BUILDING PERMIT – 443 FOURTH STREET |

OVERVIEW

Purpose of Report

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of 443 Fourth Street. |

Recommendation

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the property located at 443 Fourth Street for construction started without a building permit in contravention of “Building Bylaw 2016 No. 7224”. |

BACKGROUND

An inspection was completed on 2019-APR-09 in response to a complaint received regarding illegal construction. The inspection confirmed that a two-storey addition was under construction without a building permit. A Stop Work Order was posted on the job site and correspondence was forwarded to the owner advising a building permit was required for the work with an application deadline of 2019-NOV-21. To date, a building permit application has not been received. Pursuant to Section 57 of the *Community Charter*, it is recommended a notice be registered on the property title to reflect the work completed without a permit or inspections in contravention of “Building Bylaw 2016 No 7224”. |

DISCUSSION

The purpose of registering a Bylaw Contravention Notice (Section 57 of the *Community Charter*) on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.

SUMMARY POINTS

- Construction requiring a building permit was undertaken without first obtaining a permit.
- The deadline to submit a building permit application has passed.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
