Introduction

The City of Nanaimo recognizes the importance of fostering a socially sustainable community that nurtures a caring, healthy, inclusive and safe environment, and which empowers all of its citizens to realize their aspirations. The Social Planning function, housed within the Community Planning section, has a mandate to support initiatives and actions that further the community's social objectives.

Purpose

The purpose of the Social Planning grant program is to assist organizations in responding to issues of a social nature with initiatives that enhance social cohesion, address the root causes and effects of poverty, contribute to the vitality of our community and foster social inclusion and social equity.

Eligibility Criteria

Organizations applying for funding must be based in Nanaimo and/or be proposing a project that primarily serves Nanaimo residents.

The following types of organizations are eligible to apply:

- A non-profit society incorporated under the BC Provincial Societies Act or federally designated as a registered charity;
- A recognized religious group with ongoing activities and a congregation; or,
- A neighbourhood association recognized by the municipality.

Strategic Priorities

- Community Diversity (e.g. Projects that support an inclusive and equitable community)
- Community Wellness (e.g. Projects addressing the social determinants of health)
- Vibrant Neighbourhoods (e.g. Projects that build community by enhancing social connectivity)

Project proposals should respond to one or more of the above categories. Overall projects should support the "Livability" theme within the City's Strategic Plan including supporting "a City in which all people live, work, play, create and learn in a safe and connected community" and/or "support the provision of affordable and accessible housing for all community needs."

Grant Process

Applications will be received and reviewed by the Social Planning section, and recommendations will be forwarded to the Finance and Audit Committee and then to Nanaimo's City Council for approval. Once disbursed, funding must be spent within the next twelve (12) months and a report provided at project completion or at the end of the twelve month period, whichever comes first.
