SUBJECT | **BYLAW CONTRAVENTION NOTICE - CONSTRUCTION STARTED WITHOUT A BUILDING PERMIT – 2005 BOXWOOD ROAD** |

## **OVERVIEW**

### **Purpose of Report**

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of 2005 Boxwood Road. |

### **Recommendation**

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the property located at 2005 Boxwood Road for construction started without a building permit in contravention of “Building Bylaw 2016 No. 7224”. |

## **BACKGROUND**

During a drive-by observation on 2019-OCT-28, the building inspector observed work was underway to enclose an attached steel structure on the northwest side of the main building, and a covered structure had been constructed on the southeast side. A Stop Work Order was posted on site and correspondence was forwarded to the owner advising that a building permit was required for the structures. The deadline for a building permit application was 2019-NOV-19. To date, a building permit application has not been received. Pursuant to Section 57 of the *Community Charter*, it is recommended a notice be registered on the property title to reflect the work completed without a permit or inspections in contravention of “Building Bylaw 2016 No 7224”.

Further to the registration of this notice, this matter will be referred to Bylaw Services for further enforcement (removal or upgrade).

## **DISCUSSION**

The purpose of registering a Bylaw Contravention Notice (Section 57 of the *Community Charter*) on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened. |

### **SUMMARY POINTS**

- Construction requiring a building permit was undertaken without first obtaining a permit.
- The deadline to submit a building permit application has passed.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
- Further to the registration of this notice, this matter will be referred to Bylaw Services for further enforcement.
