What is the PRC Master Plan?

The plan guides City Council on the development of facilities, parks, and open spaces and the delivery of services that best meet the needs of the community.

Specifically it:

- Identifies and evaluate community attitudes toward current services and facilities
- Identifies and evaluate emerging trends and needs for Parks, Recreation and Culture facilities and services
- Prepares a 10-Year Facility Development Plan for PRC
- Develops service delivery strategies, staffing levels, and budgets to meet the needs of the community for the next 10 years
- Identifies other gaps and policies that may need to be updated/developed like the Urban Forestry Strategy, Horticulture Strategies, Pest Management, Cultural Strategies, Public Art Plans, site specific park plans, etc.
