

Constance and Melvin Crum  
2198 Departure Bay Road

December 1, 2020

Dear Neighbour

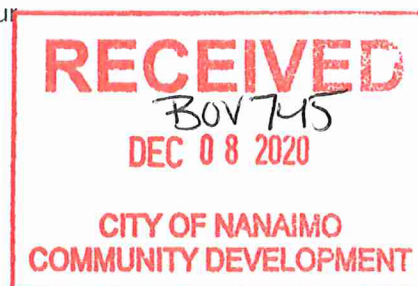

We, Connie and Mel Crum, have applied to the Board of Variance, to be allowed to build a 2 metre high fence at the front of our property along Departure Bay Road (instead of 1.2 metres which is the bylaw). It would replace the existing hedge. We are hoping to block some of the traffic noise and have some privacy from all the vehicles going by.

The City might send out a notice about our application. We're asking you to support us, please! Would you be willing to sign saying you have no objections to our application?

Thank you in advance.

Sincerely

*Mel Crum*  
*C. Crum*  
Connie and Mel Crum

We, the undersigned, support this application.
