**SUBJECT | BYLAW CONTRAVENTION NOTICE - CONSTRUCTION STARTED  
WITHOUT A BUILDING PERMIT – 563 BRADLEY STREET |**

## **OVERVIEW**

### **Purpose of Report**

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of 563 Bradley Street. |

### **Recommendation**

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the property located at 563 Bradley Street for construction started without a building permit in contravention of “Building Bylaw 2016 No. 7224”. |

## **BACKGROUND**

An inspection was completed on 2020-AUG-19 in response to a complaint received regarding illegal construction. The inspection confirmed that basement renovations were underway, including work undertaken affecting the structural footings of the dwelling, as well as framing erected over the existing deck without a building permit. A Stop Work Order was posted on the job site and correspondence was forwarded to the owner advising that the framing erected over the existing deck had to be removed, and a building permit was required for the remaining work. The deadline for removal of the over-the-deck framing and submission of a building permit application was 2020-SEP-25. To date, the illegal over-the-deck framing remains and a building permit application has not been received. Pursuant to Section 57 of the *Community Charter*, it is recommended a notice be registered on the property title to reflect the work completed without a permit or inspections in contravention of “Building Bylaw 2016 No 7224”.

Following registration of a notice, this matter will be forwarded to Bylaw Services for removal enforcement of the illegal over-the-deck framing. |

## **DISCUSSION**

The purpose of registering a Bylaw Contravention Notice (Section 57 of the *Community Charter*) on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened. |

### **SUMMARY POINTS**

- Construction requiring a building permit was undertaken without first obtaining a permit.
- The deadline to submit a building permit application has passed.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
- Further to the registration of the notice, this matter will be referred to Bylaw Services for further enforcement.
