

Attachment B

Appendix B - Small Scale Mobility Upgrades 2003 - 2020

Year	Road	From	To	Type	Work performed	Reason
2007	Extension Rd	Roberta Rd W	Roberta Rd E	Flashers	Install pedestrian activated flashers at existing crosswalk on Extension Road @ Roberta.	Elementary School Children cross Extension Rd to Chase River School, Basby School Bus and RDN transit stop. No sidewalk on westerly side which results in pedestrian crossing Extension Rd to access sidewalk. Improve safety for pedestrians and motorists at this crosswalk by providing visual warnings to motorists if the crosswalk is in use.
2007	Extension Rd	Richardson Rd	Country Hills	Flashers	Install pedestrian activated flashers and curb extension at existing crosswalk on Extension Road @ Richardson.	Elementary School Children cross Extension Rd to Cinnabar School. Improve safety for pedestrians and motorists at this crosswalk by providing visual warnings to motorists if the crosswalk is in use.
2008	Tenth St	Lawlor Rd		Traffic signal	Install new traffic signals	Meets warrant/new Country Grocier.
2014	Cranberry Ave	Island Highway	Thirteenth St	Flashers	Design and construct pedestrian activated warning flashers on Cranberry Ave at the marked crosswalk to the Moosehall.	Improves pedestrians ability to identify themselves to approaching traffic, and thus yielding to pedestrians by traffic. Improves pedestrian safety.
2016	Extension Rd	McKewon Way	Cranberry Ave	New marked crosswalk/relocate existing midblock school crosswalk	Install new marked crosswalk on Extension Rd at Cowling Pl and relocated the existing marked midblock crosswalk to the intersection of Extension Rd and Cranberry Ave with flashers.	Parents and children will continue to cross Extension in unmarked crosswalk. Potential safety issue.
2006	Extension Rd	Country Hill	Richardson Rd	Playground	Install playground signs on Extension Rd	New playground associated with Country Hills Development
2006	Country Hills	Harvest Pl	Extension Rd	Playground/Advisory 30	Install playground signs and advisory 30 tabs on Country Hills Dr.	New playground associated with Country Hills Development
2006	White Blossom Way	Country Hills Dr	End of Playground	Playground/Advisory 30	Install playground signs and advisory 30 tabs on White Blossom Way.	New playground associated with Country Hills Development
2017	Cinnabar Dr	Extension Rd	Stacey Cres	Playground/Reg 30	Install playground signs with reg 30 tab	Existing Playground without signs
2017	Stacey Cres	Cinnabar Dr	Stannard Dr	Playground/Reg 30	Install playground signs with reg 30 tab	Existing Playground without signs
2004	Richardson Rd	Extension Rd	Levin Cres	Asphalt Sidewalk	Install raised asphalt sidewalk along the north side of Richardson Rd.	Sidewalk program priority
2009	Extension Rd	McKewon Way	School Crosswalk	Asphalt Sidewalk	Install raised asphalt sidewalk along the west side of Extension Rd	To address school travel from subdivision off McKewon Way connecting to midblock school crosswalk.
2016	Extension Rd	Country Hills Dr		Intersection Improvement	Marked curb extensions on Extension Rd at Country Hills. Helps with on street parking	Neighbourhood is extremely vocal and is waiting for the City to improve traffic safety in this area. May approach Council. May lose cost share opportunity with ICBC.
2013	Island Highway	Maki Rd	Haliburton Rd	MUP	Off street MUP	Provide a better connection for peds and bikes separate from the Highway
2015	Island Highway	Haliburton St	Victoria Ave	Traffic signal	Install traffic signals	Improve capacity for left turns vehicles and facilitate pedestrian crossing the Highway.
2020	Haliburton St	Island Highway	Highview Ter	MUP	Install MUP/Trans Canada Trail	Improve ped and bike safety on Haliburton St adjacent to truck route/part of Trans Canada Trail.
2020	Southgate			LED Lighting	Install City LED lighting in Southgate area	Phase 2 LED Lighting Program.
