Details of the Presentation:

Background and context Innovative project, minimum impact on the ecosystem Value to the sensitive ecosystem Difference between this project and the previous project.

As the owner of the property in question, I would like to provide background and context to the development application; then, I would like to describe the innovative and proactive steps we made to meet the City requirements and how our project would benefit the ecosystem on the property. I would like to briefly list the recommendations of the professionals and experts' reports. Finally, I would like to describe the difference between this project and the previous project, in general terms. (Given the limited time allowed, I will introduce the above items and i believe that other delegations will explain important details).
