

Delegation Request

Delegation's Information:

Keely Freeman, Daycare Manager, Nanaimo Innovation Academy, has requested an appearance before Council.

City: Nanaimo

Province: BC

Delegation Details:

The requested date is December 20, 2021.

The requested meeting is:
Council

Bringing a presentation: No

Details of the Presentation:

We are concerned about the increasing delays of building permit application processing times in Nanaimo. We are requesting the City prioritize non-profit organizations and essential services over for profit projects. Daycares have been recognized as essential services. With the increase of housing projects and the influx of new families moving to Nanaimo, there is a crises of available childcare.
