

ATTACHMENT F SITE PHOTOGRAPHS

Photo 1: Looking west at the front of the new house from Battersea Road showing the subject retaining walls . The retaining walls allow for plantings to be installed within.

Photo 2: Looking northwest towards the new house and retaining walls from Battersea Road.

Photo 3: Looking northeast across Battersea Rd towards the ocean from the south side of the new house. The 15m DPA includes paved road, rip rap and the retaining walls. Photo 3b is looking across the concrete patio area under the cantilevered deck that has not been poured yet.
