Details of the Presentation:

Amending the bylaw to allow parking in residential areas for more than 24 hours for residents, and to continue to allow residents of Mill St to park on both sides of the road.

There are only 15 parking spaces allotted for residents in my apartment building. This building is intended for seniors, many have mobility issues and need to park nearby. We currently have been given more space on Mill St, which helps a great deal. But we should not have to move our vehicles every 24 hours. Last year, when I worked at Samaritan House, I walked the 1 km to my work place, so my car often was not moved for 1 week at a time. Moving my car means unnecessary wear and tear on my vehicle. I agree with the councillor who suggested a maximum of 30 days without moving a vehicle.
