**SUBJECT DRAFT INTEGRATED ACTION PLAN AND DRAFT PRIORITY ACTIONS | AN EMPOWERED, A GREEN, AND A CONNECTED NANAIMO**

## **OVERVIEW**

### **Purpose of Report:**

To outline the process that will be used to review the Draft Priority Actions for An Empowered, A Green, and A Connected Nanaimo at the 2023-APR-24 Governance and Priorities Committee meeting.

## **BACKGROUND**

On 2023-MAR-27, Staff introduced the draft Integrated Action Plan (IAP) and draft Priority List. At that meeting, the Governance and Priorities Committee (GPC) provided feedback on the draft priority actions for A Healthy Nanaimo.

### **The Draft Integrated Action Plan & Draft Priority Actions**

The IAP is a supporting document to *City Plan: Nanaimo Reimagined*, and is a “library of actions” the City of Nanaimo is already doing, and would like to do, over the immediate and long term to implement the policies in *City Plan* (Attachment A). The actions are drawn from previously endorsed or adopted plans, in addition to new actions identified by Staff to support the implementation of *City Plan*. The IAP is intended to be regularly referenced and reviewed by all City departments to guide their work.

The Draft Priority Actions (Attachment B) are intended to be the top actions prioritized by Council that will be implemented over the next four years. The draft priority actions are those actions recommended by Staff for Council’s consideration, and they are drawn from the full IAP “library of actions”.

The IAP and Priority Actions are intended to be living documents, updated on an ongoing basis, to incorporate new actions and adjust or remove actions that have been achieved, become outdated, or have been superseded, accounting for new knowledge and directions from Council or planning processes. The IAP supports the City’s commitment to integration and interdepartmental communication, with the goal of leveraging opportunity, investing efficiently, and maximizing the community benefit of City actions.]

## **DISCUSSION**

At the 2023-APR-24 GPC meeting, members will be asked to provide feedback on the draft Priority Actions for An Empowered Nanaimo, A Green Nanaimo, and A Healthy Nanaimo with Zoom polls. The proposed priority action list includes several actions reflecting motions passed by Council (identified by the star symbol); actions included in the 5-year Financial Plan (identified

by a ‘\$’ symbol); and other actions Staff recommend for consideration. The GPC members may also review the full “library of actions” included in Part C of the draft IAP (Attachment A), and bring forward additional actions for consideration. When the review of the Draft Priority Action list is completed, a summary of GPC feedback from all of the spring GPC – IAP sessions will be presented as a revised Integrated Action Plan (with an updated Priority Actions list). |

## **CONCLUSION**

### **IAP Review Schedule**

The following schedule is proposed for the review of the ‘Draft Priority Actions’ and ‘Draft Integrated Action Plan’. This schedule may shift depending on the time needed to review.
