

DATE OF MEETING March 21, 2024

AUTHORED BY DARCY FOX, MANAGER, BUILDING INSPECTIONS

**SUBJECT BYLAW CONTRAVENTION NOTICE – CONSTRUCTION NOT COMPLETED AS PER CONDITIONS OF BUILDING PERMIT – 2585 LYNBURN CRESCENT**

## **OVERVIEW**

### **Purpose of Report**

To obtain Council authorization to proceed with the registration of a Bylaw Contravention Notice on the property title of 2585 Lynburn Crescent.

### **Recommendation**

That Council direct the Corporate Officer to file a Bylaw Contravention Notice at the Land Title and Survey Authority of British Columbia under Section 57 of the *Community Charter* for the property located at 2585 Lynburn Crescent for construction not completed as per the conditions of the building permit.

## **BACKGROUND**

All building permits issued by the City of Nanaimo are required to complete the terms and conditions outlined in each permit as regulated in the “Building Bylaw 2016 No. 7224” and enforced by the Building Inspections section.

When conditions of a building permit are not met, and deficiencies are still in place, a report is brought forward for a resolution of Council to file a Bylaw Contravention Notice on the property title under Section 57 of the *Community Charter*. The purpose of registering a Bylaw Contravention Notice on the title of the affected property is to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened. |

## **DISCUSSION**

A building permit (BP126662) for renovations to a two-storey, single family dwelling was issued 2020-DEC-03 for a two-year period. The permit has now expired with deficiencies remaining outstanding. Correspondence was forwarded to the owner advising of the expiring permit and providing opportunity to rectify the outstanding deficiencies, but to date, the deficiencies have not been resolved.

Pursuant to Section 57 of the *Community Charter*, it is recommended that a notice be registered on the above-noted property title to reflect the work undertaken that does not meet the terms and conditions of the issued permits in contravention of “Building Bylaw 2016 No. 7224.” |

### **SUMMARY POINTS**

- Construction was not completed as per the conditions of the permit.
- The deadline to renew the permit has passed.
- Registration of a Bylaw Contravention Notice is required on the title of the affected property to advise those with an interest in the property of the regulations contravened, to provide disclosure to future owners and to protect taxpayers against potential claims with regard to the regulations contravened.
