

Delegation Request

Delegation's Information:

Gil Yaron, Managing Director, Circular Innovation, Light House, has requested an appearance before Council.

City: Nanaimo

Province: BC

Delegation Details:

The requested date is 2024-NOV-04

Bringing a presentation: Yes

Details of the Presentation: Light House has launched an initiative on Vancouver Island with the support of the RDN, Cowichan Valley Regional District and CRD called the Building Material Exchange (BMEx). BMEx supports the construction sector to offset their waste management costs and material costs by exchanging excess, salvaged or otherwise unwanted building materials with other businesses. BMEx also provides companies with an opportunity to showcase the work they are doing on projects to divert material from landfill. Will be making a request to introduce policy options to encourage deconstruction and diversion of building materials.
