 This slide is titled "Why Review Parking?" and is part of a presentation for the City of Nanaimo. The top right corner features the City of Nanaimo logo. The slide has a blue and white background with a curved design. The title "Why Review Parking?" is underlined and in a dark blue font. To the right of the text is a graphic titled "CITY PLAN NANAIMO REIMAGINED" showing a person standing on a beach looking out at the ocean. The graphic includes the City of Nanaimo logo at the bottom right.

Why Review Parking?

- Parking in Nanaimo has generally been abundant and low cost
- Mobility Trends are moving away from Personal vehicles (where possible) while supporting all abilities
- Demands on curb space are growing and City's approach needs to be more sophisticated
 - Green Space
 - Meeting areas/Respite
 - Transit Amenities, etc.
- City Plan and the IAP support a more informed approach to parking management

Key Project Questions:

In addition to encouraging ACAI members to complete the online survey, staff have the following questions to discuss:

1. The quantity of accessible parking around the City?
 - Do you feel there are enough spaces downtown?
2. The quality of accessible parking around the City?
 - Are accessible spaces currently being located suitably?
3. What challenges do you face when trying to access daily needs?
4. Unrelated to parking, what changes would enhance access to daily needs?
