

Delegation Request

Delegation's Information:

Jennifer Mckenzie has requested an appearance before Council.

City: Nanaimo

Province: BC

Delegation Details:

The requested date is 2025-MAY-26

Bringing a presentation: No

Details of the Presentation: Would like to encourage council to go ahead with a renovation at the park. Especially bathrooms and boathouse. As a taxpayer, I am concerned the project will be sidelined and the park to go into further disrepair and the project will only be more expensive and contentious in the future Would like to feel safer in park and have council not back out of the project they voted to do.
