

ATTACHMENT B

City of Nanaimo Public Safety Committee Term Work Plan Development

Note:

- This document is being provided for the October 9, 2024 Public Safety Committee meeting to assist the Committee with finalizing its term work plan.
- Only items within the Committee's scope and those that are achievable within the current Committee's term are included in the work plan.
- Assigned priority rankings do not reflect how quickly an initiative may be considered or addressed by the Committee due to the need to consider additional factors.
- Once finalized, the work plan will be advanced to Council for final approval.
- The term work plan will form the basis for annual work plans. Items can be removed or added during the annual work plan development process.

Committee Purpose:

Provide a forum for engaged citizens to **discuss concerns** and **propose solutions** that would serve **to enhance safety and security within the City of Nanaimo**. The Committee will **advise Council on strategic and policy initiatives related to** the City's **provision of public safety programs** with a goal of maintaining and enhancing a safe and healthy community.

The Committee will:

- Discuss and provide recommendations to Council related to residential and commercial business safety, public nuisance matters, graffiti and vandalism, vehicular crime, traffic safety, enhancing public safety and security, fire safety
- Review and provide recommendations to Council regarding community safety concerns
- Receive information from groups and agencies dedicated to community safety, including the Nanaimo RCMP, Nanaimo Fire Rescue and City of Nanaimo Bylaw Services
- Support advocacy work relating to public safety including integrated enforcement, social responses and the protection of vulnerable persons
- Discuss issues referred to the Committee by Council, the CAO, GMs or Directors
- Work with Council to increase public awareness and education on matters related to public safety and security

Theme 1: Transportation Safety

Work Plan Item Identified by the Committee	Committee's Scope	Details/Actions	Budget Implications	Priority (High/Low/Medium)	Responsible Department/Division	Examples of Related Ongoing or Completed Projects/Initiatives
Improve safety of transit stop locations (in relation to social disorder issues)	Depending on the details, the matter could be City's or Regional District's responsibility (transit stops are under City's jurisdiction). The Committee may identify problem locations and discuss design/safety improvements.	Staff to invite Regional District of Nanaimo Transportation Services' Senior Manager for a presentation.
